<b>Policy</b>	<p>Schooling is compulsory for children and young people aged from 6 to 17 years (unless an exemption from attendance or enrolment has been granted).</p> <p>Daily attendance is important for all children and young people to succeed in education and to ensure they do not fall behind both socially and developmentally. School participation maximises life opportunities for children and young people by providing them with education and support networks. School helps people to develop important skills, knowledge and values that set them up for further learning and participation in their community.</p> <p>Students are expected to attend Darley Primary School during normal school hours every day of each term unless:</p> <ul style="list-style-type: none"><li>● there is an approved exemption from school attendance for the student</li><li>● the student has a dual enrolment with another school and has only a partial enrolment in Darley Primary School, or</li><li>● the student is registered for home schooling and has only a partial enrolment in Darley Primary School for particular activities.</li></ul> <p>Both schools and parents have an important role to play in supporting students to attend school every day.</p> <p>Darley Primary School believes all students should attend school all day, every day when the school is open for instruction and is committed to working with its school community to encourage and support full school attendance.</p> <p>Our school will identify individual students or cohorts who are vulnerable and whose attendance is at risk and/or declining and will work with these students and their parents to improve their attendance through a range of interventions and supports.</p> <p>Students are committed to attending school every day, arriving on time and are prepared to learn. Our students are encouraged to approach a teacher and seek assistance if there are any issues that are affecting their attendance.</p>
