'WORKING TOGETHER TO MAKE A DIFFERENCE'

Yard Duty and Supervision Policy

Purpose	To ensure school staff understand their supervision and yard duty responsibilities.
Scope	This policy applies to all teaching and non-teaching staff at Darley Primary School, including education support staff, casual relief teachers and visiting teachers.
Policy	<p>Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.</p> <p>The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.</p> <p>School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.</p> <p>Before and after school Darley Primary School's grounds are supervised by school staff from 8:40 until 3:30. Outside of these hours, school staff will not be available to supervise students. Before and After school we have staff supervising the Nelson St Gate (next to the carpark) and roaming the back area of the school.</p> <p>Parents and carers will be advised through our newsletter and/or Compass that they should not allow their children to attend Darley Primary School outside of these hours. Families will be encouraged to contact Darley Kidz Club on 0408 361 325 for more information about the before and after school care facilities available to our school community.</p> <p>If a student continually arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:</p> <ul style="list-style-type: none">• advise of the supervision arrangements before school• request that the parent/ carer make alternate arrangements <p>If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:</p> <ul style="list-style-type: none">• attempt to contact the parents/carers• attempt to contact the emergency contacts• place the student in an out of school hours care program (if available and the parent consents)• contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student. <p>Breakfast Club Our school runs a Breakfast Club every week day (in the gym). It is open and staffed between 8:15 and 8:45 and is available for students to have breakfast.</p> <p>Yard duty All staff at Darley Primary School are expected to assist with yard duty supervision and will be included in the weekly roster.</p>

Yard duty equipment

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests will be stored in the cupboards outside the staffroom in the breezeway
- carry the yard duty first aid bag at all times during supervision. The yard duty first aid bag will be stored in location above.
- Be familiar with the yard duty information pack containing student health and safety information stored in the yard duty clipboards

Yard duty equipment must be returned after the period of supervision.

Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until the end of the break time.

During yard duty, supervising school staff must:

- methodically move around the designated zone ensuring active supervision of all students
- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor pass and have signed in (excluding drop off and collection periods)
- ensure students remain in their designated year level zones
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard

- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate on Compass

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Daily Organiser with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Daily Organiser or a member of the Principal Team but should not leave the designated area until the relieving staff member has arrived in the designated area.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

If a teacher is "held up" on duty, their neighbouring teacher will assume control of their class until they return.

Bus Duty

A School Staff member will be allocated bus duty each day from 3:20 - 3:50 (approx., depending on last bus arrival time).

School Staff use an iPad to check students onto each of the buses. Student names for each bus are kept up to date by administration staff.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact the teacher in the co-located room and or the admin office for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education and Training [Excursions Policy](#).

Digital devices and virtual classroom

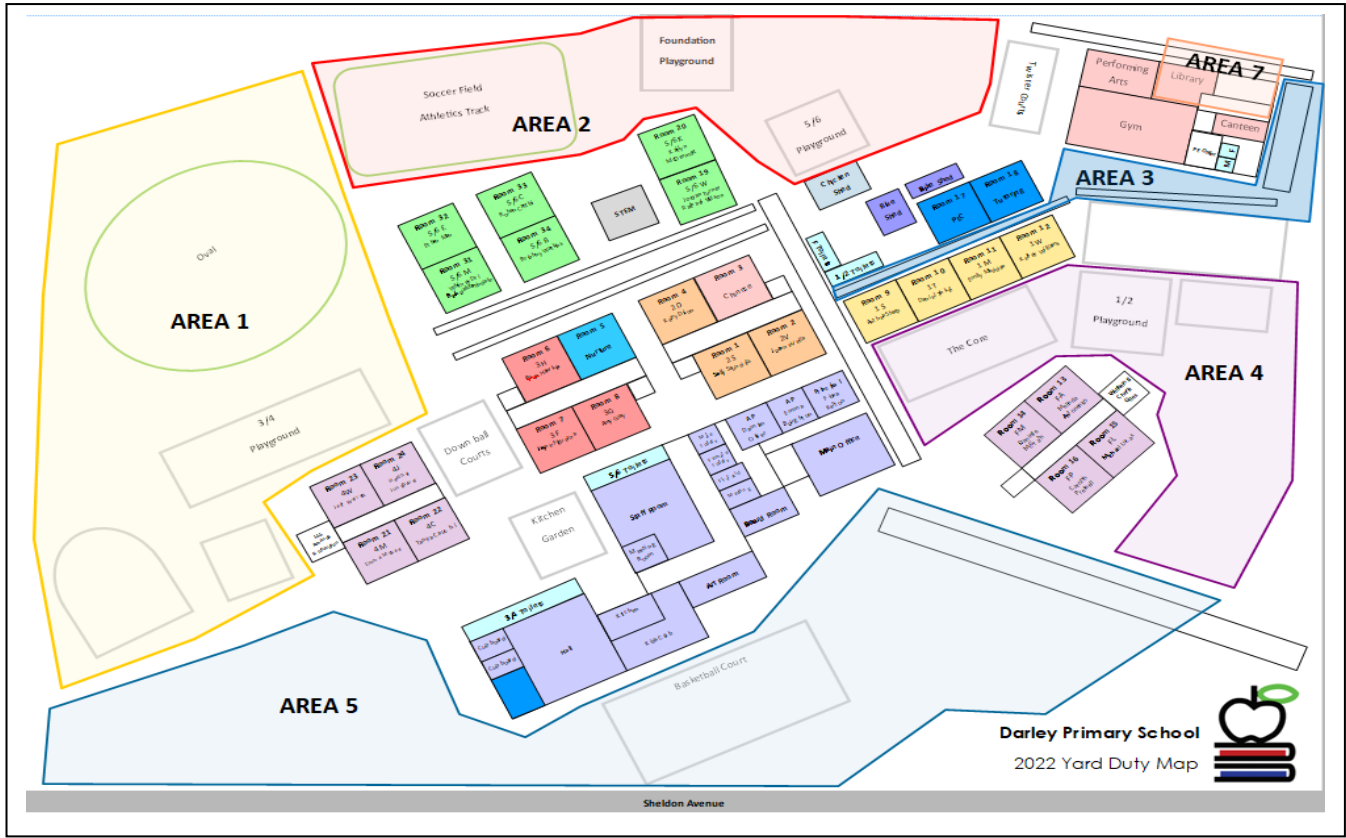

Darley Primary School follows the Department's [Cybersafety and Responsible Use of Technologies Policy](#) with respect to supervision of students using digital devices.

Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or Assistant Principal(s) will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

	<p>Supervision of student in emergency operating environments</p> <p>In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.</p> <p>In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department.</p>
